HOME AND FOREIGN.

War Office, 26th November, 1857.

CONSIDERABLE delay having in many instances taken place in the examination of Accounts of Remains of Stores in consequence of the Ledgers not having been closed on the date of the termination of the Remain, the Secretary of State for War desires that, in future, whenever a general Remain of Stores shall be taken, the Station Store Ledger shall be *balanced* on the last day of the Remain, and the Transcript of the same (made out in accordance with the instructions laid down in Circular No. 11, Store, Home and Foreign), together with the Vouchers to that period, transmitted to the Director of Stores, accompanied by a List of Surplus and Deficient Stores (if any) and explanations upon them, in order that the old Charge as per Ledger, and the new one as per Remain, may be compared, and the correct charge ascertained without delay.

CIRCULAR, No. 179.

SIR, *War Office, 26th November*, 1857.

MANY applications having been made to this Department on behalf of Pensioners for the re-issue of lost Medals and other Decorations, I am directed to inform you that the following regulations have been approved by the Secretary of State for War on that head:—

1st. If any of these Medals or Decorations be lost while the Pensioner is at exercise, or while employed on public duty, and proof can be adduced that he was wearing it when first inspected on parade, and that he immediately reported the loss to his Officer, another will be issued to him free of charge on that Officer's recommendation, provided it be accompanied by satisfactory evidence that the loss may be presumed to have arisen from circumstances beyond the Pensioner's control.

2nd. If the Medal or Decoration be lost or stolen while the Pensioner is not on duty, it can only be replaced on payment of the price, accompanied by the recommendation of his Officer and the evidence of two persons as to the circumstances under which the loss took place, and that it arose from no wilful negligence on the part of the claimant.

3rd. If the Medal has been lost under circumstances which do not admit of the evidence of third parties, the declaration of the Pensioner is to be taken before a Magistrate, and, if accompanied by a Certificate of good conduct on the part of the Staff Officer of Pensioners, it may be received as satisfactory in lieu of other evidence.

4th. In order, however, to found any claim for a re-issue under this Circular, every Pensioner must, at the payments in the beginning of the April Quarter of each year, produce his Medals or other Decorations to his Officer, of which a note is to be made in the Office Copy of his Pay List by writing the Letter "M" after the Pensioner's signature in red ink; and no claim is to be entertained for the loss of any of them in the course of the year if he have failed to comply with this regulation.

5th. All claims for lost Medals or Decorations are to be forwarded to this Office in the end of the last month of the Quarter in which the loss occurs, accompanied by the evidence and recommendations in support of the claim: and, unless under very special circumstances, no retrospective claim can be entertained for the loss of any such Medals or Decorations beyond two years after it occurred.

6th. In communicating these arrangements to the Pensioners you will not fail to impress upon them the necessity of taking every possible care of their Medals and Decorations, as any negligence in doing so will prevent a re-issue, even at their own expense, a precaution which is absolutely necessary in order to reduce the applications within reasonable limits.

I have the honour to be, Sir,
Your most obedient Servant,
B. HAWES.

The Staff Officer of Pensioners.

CIRCULAR, No. 187. (SAVINGS BANKS.)

SIR, *War Office, 10th December*, 1857.

I AM directed by the Secretary of State for War to acquaint you that, from the 1st April next, when a Depositor in a Military Savings Bank is transferred from one Regiment, Troop, Company or Detachment to another, the interest to which he may be entitled up to the date of transfer, if it should be the last day of a month, or in other cases up to the last day of the preceding month, and which has hitherto been treated as "Interest due but not yet added to principal," is no longer to be so treated, but is to be charged in the interest column of the accounts from which the transfer is given, and added to the principal.

Under this arrangement you will observe that a Savings Bank balance, instead of being transferred in two sums, one of principal, and the other of "Interest due but not yet added to principal," will invariably be transferred in *one* sum, in which interest will be included to the date stated, and on which interest may be charged, from the date following, in the accounts in which the transfer is taken up as received.

Amended Savings Bank Transfer Statements have accordingly been prepared, of which Copies are annexed, and of which a supply will be forwarded to you. After the 31st March next any of the old patterns which may remain on hand should be destroyed.

Horse Guards, S.W., 12th November, 1857.

THE GENERAL COMMANDING IN CHIEF has been much satisfied with the "Judging Distance Practice" of the Troops, as shown by the last quarterly report of the Inspector General of Musketry at Hythe.

His Royal Highness has however cause to believe, that the Soldier's proficiency in this respect is not always fairly tested, in consequence of the limited extent of the

Digitized by Google

practice grounds, by reason of which the men soon become acquainted with the distances, in whatever position they may be placed.

His Royal Highness has therefore been pleased to command, with a view of developing the powers of the men in this essential particular, that they may be taken out into the country by Companies, and practised in judging distance under their respective Captains, at other times than when exercising under the Battalion Instructor in the annual course, which only occupies three weeks of the whole year.

Judging Distance Practice may be carried on conveniently, on marching-out days, during the winter,—and on other occasions will afford means of improvement and recreation for the men when there may be merely a roll-call parade, without interfering with the necessary duties or battalion drills.

Instances having occurred in which the annual course has been stopped on account of the alleged paucity of duty men, the General Commanding in Chief desires that the instruction shall never be suspended on such a plea unless the troops have less than three nights in bed, which can seldom happen if all are included in the duty roster who are not exempted from guard mounting by the Regulations of the Service.

His Royal Highness requires all instances of the necessity of suspension of rifle practice to be specially reported for his information and orders; and correct duty-states are to be transmitted with each report.

The words "*Gazetted Instructor*," "*Provisional Instructor*," or "*Assistant Instructor of Musketry*," are to be inserted in the Regimental and Depôt Battalion Returns against the names of the Officers employed in the above capacities.

GENERAL ORDER, No. 690.

Horse Guards, S.W., 19th November, 1857.

A CONSIDERABLE time has elapsed since the issue, by command of His Royal Highness the General Commanding in Chief, of the General Orders, dated respectively the 12th February, 1850, 21st March, 1851, and 22nd November, 1854, requiring all those to make application who might consider themselves qualified to receive a Medal for their Services during the Campaigns specified in the General Orders referred to.

Though the greater part of such claims have been investigated and satisfied, there are still some outstanding which have not yet been preferred, and others which, although preferred, have not been decided upon.

It is desired that all those unpreferred may be brought forward without loss of time; and notice is hereby given, that no further claim will be taken into consideration unless submitted to the Adjutant General on or before the 1st December, 1858.

By Order of HIS ROYAL HIGHNESS,
THE GENERAL COMMANDING IN CHIEF.

G. A. WETHERALL,
Adjutant General.

GENERAL ORDER, No. 692.

Horse Guards, S.W., 8th December, 1857.

UPON two recent occasions Officers who have been convicted, upon the clearest evidence, of most serious offences against military discipline, have been recommended by General Courts Martial to Her Majesty's merciful consideration.

In one case the individual was found guilty of having absented himself from his Corps, without leave, for a considerable period—setting at defiance all military subordination. In the other, the prisoner was convicted of habitual contempt of the orders of his Commanding Officer; and was, moreover, convicted of scandalous conduct, unbecoming the character of an Officer and a gentleman.

In *neither* instance were there any mitigating circumstances, but, *in both*, the Courts Martial, having adjudged the prisoners the punishment due to their crimes, accompanied the sentence by a recommendation to mercy.

The General Commanding in Chief, in the exercise of his judgment, did not feel justified in supporting such recommendation, based upon the youth and inexperience of the prisoner.

There have been—and there may hereafter be—occasions when youth and inexperience may be urged in mitigation of punishment, but persevering and systematic disobedience of orders, and deliberate falsehood, can admit of no palliation; and His Royal Highness the Duke of Cambridge most earnestly desires, that, when Officers are called to adjudicate upon charges involving such serious offences, they will pause, and seriously reflect, before they recommend to Her Majesty's clemency individuals who have been pronounced guilty of them, and who, thereby, have been proved unworthy of serving their Queen and Country in a profession which must be upheld by the principles of honour and discipline.

By Command of HIS ROYAL HIGHNESS,
THE GENERAL COMMANDING IN CHIEF.

G. A. WETHERALL,

SIR,

War Office, 15th August, 1857.

Lord Panmure to acquaint you, that, in order to facilitate recruiting for the latter Force, his Lordship will be prepared to dispense with the repayment of 18*s.* 6*d.* bounty and enrolment expenses, not only as at present in the case of Volunteers who have served during Embodiment, but also of those who, having completed six months of their engagement, or attended one training in the Militia, avow their Militia obligations on offering to enlist into the Army.

I am to add that releases may be given on such conditions, without the previous sanction of the Secretary of State for War, care being taken to obtain the necessary covering authority afterwards, at the commencement of each month.

I have the honor to be, Sir,
Your most obedient Servant,

STAFF COLLEGE.

Horse Guards, S.W., 17th December, 1857.

THE QUEEN having been pleased to approve of the name of the present Senior Department of the Royal Military College at Sandhurst being changed to that of Staff College, which College is to be placed under the charge of a Commandant, with a Quartermaster and Staff Non-commissioned Officers on its Establishment; and her Majesty having also approved of the following Regulations for the admission to, and for the studies of Officers at, the College, and for other matters connected therewith, the same are hereby published for general information:—

(1.) The Staff College will be open to Officers of all Arms of the Service, and will consist at first of 30 Students, in the proportion of 25 from the Cavalry, Guards and Line to 5 from the two Ordnance Corps, admission to the College being determined by a Competitive Examination.

(2.) No payment will be required from Students to the funds of the College.

(3.) The qualifications requisite for admission are,—

1. A previous service of not less than 3 years, exclusive of leaves of absence.
2. A certificate from his Commanding Officer that the Candidate is an intelligent, zealous and well-conducted Officer, and thoroughly acquainted with all his duties.
3. The Candidate, if not a Captain, to have passed the Examination for a Troop or Company.
4. A medical certificate of good health and fitness for the active duties of the Staff.

(4.) Commanding Officers of Regiments will in every case forward applications for admission to the Staff College, through the General Officer in Command, to the Adjutant General. If the Commanding Officer of the Regiment or the General Officer Commanding cannot recommend the application of any Candidate, the grounds of objection to be distinctly stated.

(5.) The Competitive Examination for entrance to the Staff College will comprise the following subjects, the relative values of each at the Examination being shown by the number of marks attached to it:—

	Marks.
Mathematics	1,200
Military History and Geography	900
French	300
German	300
Fortification	300
Military Drawing	300
Geology	150
Chemistry	150

In Mathematics, 400 marks will be allotted to Arithmetic, the first four Books of Euclid and Algebra, including questions producing Simple Equation; and of this number at least 300 must be obtained for qualification.

In French, 75 marks at least must be obtained for qualification.

Digitized by Google

The remaining subjects, as well as the higher portions of Mathematics, may be taken up or not at the option of the Candidate, the marks gained therein being reckoned in determining his position in the List of Competitors.

It is to be understood that these qualifications will be raised so soon as the system shall have been a sufficient time in operation to enable Officers to come up for Examination better prepared.

After the year 1858, the Candidate will, in addition, be expected to have a sufficient use of the pencil to be able to draw from an example or object placed before him.

In regard to Military History, the Candidates will be required, when sending in their application for admission to the College, to state what has been the course and extent of their reading, in order that the Council of Military Education, in framing the Examination Papers, may be enabled to select for each Candidate some one or more important Campaigns, which he will be expected to describe in detail.

(6.) The Examination of Officers serving in the United Kingdom for entrance to the Staff College will be held in London under the direction of the Council of Military Education.

In the case of Officers serving abroad, the Examinations of such as shall be allowed to compete will be conducted by means of the same printed questions as are set for the Examination of Candidates in London. These questions will be answered in writing in the presence of a Board of Officers, which will be appointed by the General Officer in Command, and which will certify that the Candidate has obtained no assistance from books, or help of any kind in the Examination.

(7.) The College Course of Study will commence annually on the 1st February. The transmission of the printed Examination Papers to Stations abroad will be so arranged, that the claims of the Candidates may be decided upon in time to admit of those who are successful joining the Staff College by the 1st February next ensuing.

(8.) The following will be the course of Instruction at the Staff College, viz.—

In Mathematics, the minimum course will include Euclid, Algebra, Mensuration of Planes and Solids, Trigonometry, and the application of those subjects, and Elementary Mechanics.

The French Language, German and Hindostanee (the two latter optional).

Fortification and Artillery.

Topographical Drawing, Military Surveying and Sketching.

Reconnaissance.

Military Art, Military History and Geography.

Military Administration, including the Organization and Equipment of Armies in the Field.

Military Legislation.

Elements of Natural Philosophy, Chemistry and Geology, as applied to the Military Sciences, by Lectures.

Exercise in Composition will be afforded to the Student during the whole course of Instruction in writing Memoirs or Essays on the subjects of the Course.

Riding.

(9.) The above Course of Study will occupy two years, which period is not to be exceeded, except in cases of illness, with the sanction of the General Commanding in Chief.

The Yearly Course will be divided into two terms, viz., from the 1st February to 15th June, and from the 15th July to the 15th December, the intervening periods constituting the vacations.

(10.) As Officers may be expected to join the College with very varied degrees of attainment, provision will be made to enable any Student, who may be well prepared in any particular subject, to attend more especially to other subjects in which he may feel himself deficient. If, for instance, the Student should come to the College previously well instructed in Mathematics, he will be enabled to direct his attention principally to the Military Sciences or to Languages, in lieu of Mathematical Studies.

(11.) During the whole course, Monthly Reports of the progress of each Student will be forwarded by the Commandant of the Staff College, through the Governor of the Royal Military College, to the Council of Military Education.

There will be Examinations at the end of every half-year, the summer Examination being conducted by the Professors of the College, and the winter Examination by Examiners independent of the Establishment.

Digitized by Google

The winter Examination at the termination of the first year of the Student's course will be probationary, and any Students who may appear unlikely to qualify themselves for the final Examination at the close of the second year will be removed. Should, however, any marked case of deficiency or neglect be brought under the notice of the Council of Military Education at any half-yearly Examination, or at any other period, such Student will be also liable to removal.

(12.) The following will be the marks allotted to each subject at the final Examination:—

	Marks.
Mathematics	600
Fortification and Artillery } Theory ... ... 400 / Drawing ... 100 / Memoir ... 100 }	600
Military Drawing and Surveying	300
Reconnaissance	400
Military Art, Military History and Geography, with Memoirs	600
Military Administration and Legislation	300
French	300

In the above subjects the Officer will be expected to obtain at least one-half of the number of marks allotted to them. The following subjects can be taken up or not, at the option of the candidate, but one-third of the marks assigned to each must be gained, in order that it may be allowed to count in determining the candidate's place on the list, viz.:—

	Marks.
German	300
Hindostanee	300
Natural Philosophy, Chemistry and Geology as applied to Military Science	300

(13.) Any Officer may, with the sanction of the General Commanding in Chief, compete at the annual final Examination, without previously passing through the College. And further, any Officer who desires to enter the College for one year only, will be permitted, if there be a vacancy, to present himself at the first annual Examination of the junior division of Students (who will then have completed their first year), and, if qualified, may join the College accordingly. In each case the qualifications noted in Paragraph 3 (above) will be required.

(14.) After the final Examination, the Council of Military Education will draw up and submit for the consideration of the General Commanding in Chief a list of the successful candidates arranged in three classes according to merit, with a special report of those who particularly distinguish themselves, whose names will be also mentioned by the Council in its Annual Report.

(15.) The first annual College Examination under the system above described will be held in December, 1858.

(16.) Officers who shall have passed their final Examinations at the Staff College will be attached to each of the Arms, successively, in which they have not previously served. They will be required to attend Drills, Parades and Field Days, and they will avail themselves of every practicable means of making themselves generally acquainted with the discipline, interior economy, field movements and duties of those Arms.

Certificates to this effect will be forwarded to the Adjutant General,—in the case of Officers attached to the Artillery by the Inspector of Drills at Woolwich, and in the case of Officers attached to Regiments of Cavalry or Infantry by the Officers commanding such Corps.

It is presumed that a period of six months with each Arm will be the utmost that will be required in this respect.

(17.) The Order of the 9th April, 1857, relative to the qualifications of Officers for Staff Appointments, will continue in force until the 1st January, 1860, when the system which has been above detailed will have fully come into operation, and the Examinations referred to in that Order will be conducted under the direction of the Council of Military Education.

Officers, however, who have attained the rank of Lieutenant Colonel will be exempted from the operation of that Order.

After the 1st January, 1860, no Officer will be appointed to the Staff who shall not have gone through the Staff College, or passed the final Examination of that College

(Par. 13), with exception of those who shall have attained at that date the rank of Lieutenant-Colonel, and in every case excepting Officers of proved ability in the Field.

(18.) Although the course of Mathematics at the College has been limited to that amount of knowledge which is considered essential to complete the education of the Staff Officer, it is probable that many Officers may desire to pursue their mathematical studies to a much higher point, and any candidates therefore who shall have proved their fitness for employment in the Ordnance Survey or in the Topographical Department, by superior progress in the science of Geodesy as well as of Topography, will be named in the Annual Report of the Council of Military Education to the Secretary of State for War, as deserving employment in those services.

By Order of His Royal Highness
The General Commanding in Chief.

Adjutant-General.

CIRCULAR, No. 190 (Savings' Banks).

Sir,

War Office, 18th December, 1857.

The Secretary of State for War having, with the concurrence of the Court of Directors of the East India Company, decided that instead of the Savings' Bank Accounts of a Regiment proceeding to the East Indies being closed in the manner prescribed by Article 35 of the Circular, No. 1,151, dated 2nd January, 1854,* the operations of the Bank shall not be suspended, but that the Bank should continue open until the transfer to the Government Savings' Bank in India can be there effected by the Commanding Officer of the Regiment, I am directed by Lord Panmure to acquaint you, that Instructions have been accordingly issued to the several Governments in India, desiring that, upon the Commanding Officer of the Regiment furnishing to the Presidency Paymaster a list of the Savings' Bank Balances, with interest adjudged to the last day of the preceding month, together with a bill drawn on Her Majesty's Paymaster-General (Army Account) for the amount, a corresponding sum may be placed to the credit of the several men in the Government Savings' Bank.

You will therefore be pleased, in conformity with this arrangement, to cause the Savings' Bank Accounts of the Regiment under your command to be made up as soon as conveniently practicable, after the Corps shall have landed in India, and forwarded to this Office, giving your bill to the Presidency Paymaster for the amount of the balances, which should, of course, precisely agree with the total sum due to the several Depositors, according to the general abstract accompanying the final Savings' Bank Accounts to this Department.

I have the honour to be, Sir,
Your most obedient Servant,
B. HAWES.

Horse Guards, 23rd December, 1857.

HER Majesty having been pleased to approve that the Education of Gentlemen for all Arms of the Service, who do not obtain Commissions by direct appointment, shall be given at the Royal Military College at Sandhurst, the following will be the Regulations for the future admission of Candidates into that College:—

Digitized by Google

2. The Candidate must apply through his Parent or Guardian to the General Commanding in Chief for permission to have his name entered on the List of Competitors for the College. On receiving that permission, it will be open to the Candidate to compete at any one of the half-yearly Entrance Examinations which may occur while he is within the prescribed limits of age. If unsuccessful, he will be allowed a second trial, but if again unsuccessful, he will be debarred from further competition for entrance into the College.

3. The unsuccessful Candidate, however, will still be eligible to enter the Army by passing the Examination for direct Commissions.

4. The period of Study will be two years. It will be terminated by a competitive Examination, the most successful Candidates in which will be permitted to select the Corps of Royal Engineers or Royal Artillery, according to the number of vacancies in those Corps, or will receive Commissions without purchase in the Cavalry, Guards or Line. Those who select the Ordnance Corps will be removed to the School of Application at Woolwich.

5. The payments by Cadets at the Royal Military College will be on the following scale, viz. :—

For sons of Private Gentlemen	£100	per annum.
For sons of Admirals and General Officers having Regiments	80	,,
For sons of General Officers not having Regiments..	70	,,
For sons of Captains and Commanders of the Royal Navy, and Field Officers of the Army having Substantive Rank	50	,,
For sons of all Officers of the Royal Navy and Army under the above Ranks	40	,,
For sons of Officers of the Navy and Army who have died in the Service, and whose Families are proved to be left in pecuniary distress	20	,,
Twenty "Queen's Cadets," being Sons of Officers in the Navy and Army who have fallen in Action, or have died from the effects of Active Service, and have left their families in reduced circumstances	Free	

In addition to the above Payments, there will be required to be deposited on Entrance such sum as shall be found necessary for supplying Clothing, Books and Instruments.

6. The first Competitive Examination for the Royal Military College will take place in the month of January, 1858, at which twenty-four of the most successful Candidates, if duly qualified, will be admitted.

7. Each Candidate will be required to produce a certificate of baptism or other satisfactory proof of his age, a certificate from a minister of the church or denomination to which he belongs that he has been duly instructed in the principles of religion, and a certificate from the master or tutor under whom he has been educated of his general moral conduct for at least the two preceding years.

The Candidate will be examined by a Medical Officer, to ascertain that he is in every point of view, as regards his physical constitution, fit for Military Service.

REGULATIONS

FOR THE

ADMISSION OF THE ORPHAN SONS OF OFFICERS

OF THE

Army, Royal Navy and Royal Marines

INTO THE CLASS OF

Queen's Cadets at the Royal Military College.

1. These Cadetships, of which there are twenty in all, are confined to the sons of Officers of the Army, Royal Navy and Royal Marines, who have fallen in action, or have died of wounds received in action, or of diseases contracted on active service, and who have left their families in reduced circumstances.

Gentlemen Cadets on this Class are educated gratuitously.

The nominations, with the concurrence of the Secretary of State for War, are made by the Commander in Chief for the Army, in the proportion of 15 Cadetships, and by the First Lord of the Admiralty for the Navy and Marines in that of 5 Cadetships,—to whom applications are to be made.

2. No Candidate can be admitted under the age of 15, nor above that of 17.

A baptismal certificate under the hands of the Clergyman of the Parish where he was born, if in the United Kingdom, or if the Candidate was born abroad such other proofs respecting his age as may be satisfactory, must be transmitted with the application for admission.

3. In case where the services of the father and the circumstances of the family are deemed such as to constitute a claim, a Candidate, ineligible for immediate admission on account of his not having attained the proper age, but being a promising youth, may, at the discretion of the Secretary of State for War, be allowed an addition to the Compassionate Allowance, with the especial view of promoting his education, until he is eligible for admission into the College.

4. Testimonials of conduct in the following form must be produced from every Master under whose tuition a Candidate may have been during the three years immediately preceding his admission into the College.

"I do hereby certify that ——— was under my care and instruction from the ——— day of ———, 18—, to the ——— day of ———, 18—; and that during that period I had reason to be satisfied with his general conduct and application to his studies, as shown in the accompanying papers relating thereto.

"And I further declare, that I never knew him to be guilty of any disgraceful misconduct whatsoever; that his moral conduct, in my opinion

justifies every hope that he will grow up truthful and honorable; and that he was not removed from my care in consequence of any misconduct."

Such Certificate, in this form, must also be attested and signed by the mother or other near relative of the youth, as follows:—

"I certify to the authenticity of the above Testimonial."

5. No Candidate can be admitted into the Royal Military College who labours under any difficulty of articulation, or under any other bodily or organic defect, which may appear to incapacitate him for Military Service.

6. A declaration is required, in the case of each Candidate for Admission, whether or not the Candidate has had the Small-pox or Cow-pox, and also, whether he has had the Measles and Scarlatina. Vaccination is performed at the Institution: but it is desirable that it should have been performed previously to admission.

7. Every Gentleman Cadet is, at first, admitted on a probation of twelve months; and if his conduct during any part of that period should be such as to render it obvious that his longer stay would be either hurtful to the Institution or unprofitable to himself, he will be removed from the College.

8. The following qualifications are required from every Candidate for admission, viz.:—

1. In English, to write from dictation.
2. In Arithmetic, he must be acquainted with the first four Rules, Simple and Compound, and Vulgar and Decimal Fractions.
3. In Algebra, Addition, Subtraction, Multiplication and Division.
4. In Languages, either—in Latin, French or German, to parse and translate a passage in some standard author, to be selected by the Examiners.
5. In Geography, he must have a knowledge of the Counties, Chief Towns and Rivers of England, Scotland and Ireland.
6. He will be required to print the ordinary Roman Character and Italics with neatness and facility.

9. In conformity with the Royal Warrant, dated 27th May, 1808, all Gentlemen Cadets are subject to the Articles of War, and to such other Rules and Regulations as are or may be from time to time established for the maintenance of good order and discipline.

10. A weekly allowance of pocket-money, at the discretion of the Lieutenant-Governor, is received by each Cadet, not exceeding for an Under Officer, three shillings and sixpence per week; for a Cadet in the Upper School, half-a-crown per week; and for a Gentleman Cadet in the Lower School, two shillings per week; exclusive of the addition for good conduct decorations.

This weekly allowance is provided for the Queen's Cadets by the liberality of the public,—no money is therefore to be sent to him between the vacations.

The nature and discipline of the Establishment require that these Rules be strictly complied with; and it is requested that no debt contracted by a Cadet with any Tradesman in the vicinity of the College may be paid, as such a practice would be highly prejudicial to the individual himself and to the Institution, and would lead to severe censure.

11. The Queen's Cadets to whom it would be a boon to remain at the College during the vacations in consequence of having no friends to receive them, are permitted to do so, with the sanction of the Secretary of State for War.

12. The period at present allowed to complete a young gentleman's education at the junior department of the Royal Military College is four years, which may be reduced in proportion to the age on admission to not less than two years for young men passed 16 years of age at that time.

13. With a view to the advantage of the Service, and as an encouragement to young gentlemen educated at the Royal Military College, and a stimulus to their exertions, Commissions in the Army are given to all those passing examinations before the Collegiate Board, held twice a year for that purpose, who are recommended by the Board to the Commander in Chief. But, although these Commissions, given by the Crown as the reward of application, can be obtained only in the way above stated, it is open, notwithstanding, to any young gentleman at the College to enter the Army in the usual manner, unless the Commander in Chief shall see cause to defer his admission into the Service, in consequence of his conduct being represented unfavourably in the Reports called for from the Governor of the College.

14. When application is made to the Commander in Chief for a Commission in the Army for a young gentleman who is at the Royal Military College, the Commander in Chief has directed that it may be so stated, otherwise the appointment (even though it may have appeared in the Gazette) will be cancelled.

15. It is the Commander in Chief's particular command, that any Gentleman Cadet who may be discovered to use, or to have in his possession, any species of fire arms; or who shall be guilty of poaching upon private property with dogs, ferrets or snares; or who shall be engaged in baiting of animals, shall be immediately removed from the College. And the Commander in Chief has further required the Governor specially to report such individuals.

16. No perquisites or presents of any kind are received by the Professors, or by any other person belonging to the College, from either the Gentlemen Cadets or their friends.

17. The Certificate* which is subjoined, is to be signed by the parent or guardian of the Candidate, by whom this paper must be produced when he attends for examination; AND NO CANDIDATE CAN BE RECEIVED INTO THE COLLEGE UNLESS HE IS ACCOMPANIED BY A PARENT, GUARDIAN, OR SOME OTHER RESPONSIBLE PERSON, to comply with the Regulations of the College on his behalf.

CERTIFICATE.

*THESE ARE TO CERTIFY, that I have attentively considered the Regulations for the Admission of Queen's Cadets into the Royal Military College, and am willing to abide by them; and I promise most unequivocally to remove my Son or Ward during the Vacations, unless otherwise ordered.

The Parent or Guardian to sign ———

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

THE GENERAL COMMANDING IN CHIEF, with reference to the Circular Memorandum dated 13th July, 1857, promulgating a list of prices to be charged for the several articles supplied for Musketry Instruction, desires that the annexed copy of a letter from the War Office be circulated for general information and guidance, and that the amount to be charged for the Rifled Musket Barrels, when lost, damaged or destroyed through wilfulness or neglect on the part of the Troops, shall be 19*s.*, instead of 10*s.* 6*d.*, each, the amount specified in the Circular above alluded to.

General No. 47.

SIR, *War Office, Pall Mall, S.W., 7th November*, 1857.

ADVERTING to the letter from this Department dated 8th July last, enclosing a list of the several articles supplied for Instruction in Musketry, with the value of each, and also to the Circular Memorandum, dated Horse Guards, 13th July, 1857, Instruction of Musketry, 14. I have the honor, by direction of the Secretary of State for War, to acquaint you, for the information of His Royal Highness the General Commanding in Chief, that an alteration is requisite in the price of the Rifle Musket Barrel, the value of that article when received from the Barrel Maker, previously to being bored up, rifled, sighted and browned, being 10*s.* 6*d.* (the amount stated in the Circular), while the boring up, rifling, &c., increases the price to 19*s.*, I am to suggest, therefore, that Officers commanding Regiments and Depôts of Infantry be informed of this alteration, and that the value of the Rifle Musket Barrels supplied by this Department for Instruction in Musketry is 19*s.* each.

Corresponding information will be given to Barrack Masters for their guidance.

I have the honor to be, Sir,
Your obedient Servant,

The Adjutant General of the Forces, *Horse Guards.* (Signed) J. CRAUFORD CAFFIN, *Director of Stores.*

CIRCULAR MEMORANDUM,

Addressed to Officers commanding Regiments of Infantry at Home and Abroad.

General No. 49. B—16. | Clothing, 18.

Horse Guards, S.W., 7th December, 1857.

WITH reference to Paragraph 29, page 116, of The "Queen's Regulations," Commanding Officers may, in future, sanction the use of the Fatigue Jacket on such occasions of recreation in the vicinity of Quarters as they think proper.

By Command.

G. A. WETHERALL,
Adjutant General.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 50. A—22. | Sea Necessaries, 1.

Horse Guards, S.W., 10th December, 1857.

WITH reference to the Schedules of Sea Necessaries, given at pages 342 and 343 of The "Queen's Regulations," it is in future to be understood that these Schedules may be modified at the discretion of Commanding Officers, according to the probable duration of the voyage, which must, necessarily, depend on the description of vessel provided, whether steam or sailing.

The general principle of the present Regulations on the subject will, however, be adhered to.

By Command.

G. A. WETHERALL,
Adjutant General.

CIRCULAR MEMORANDUM.

General No. 53. C—7. | Military Train, 3.

Horse Guards, S.W., 22nd December, 1857.

GENERAL Officers commanding Divisions or Districts are requested to regulate the employment of the Military Train under their command in such a manner as to prevent the Horses, which in many instances are not adapted for heavy work, from undergoing undue fatigue.

With this view, it is desirable that the Corps should not be habitually worked beyond two-thirds of its effective strength; and, in order to ensure the distribution of the transport in this proportion, the Commanding Officer of the Military Train will furnish, daily, to the Assistant Quarter Master General, or other Staff Officer appointed to approve of Requisitions, a working state of his Battalion or Detachment, according to the annexed Form, and thus enable him to regulate the demands upon the transport for the following day.

The practice of sending incidental Requisitions on the Train, to be complied with on the same day, should only be resorted to in cases of *urgent necessity*, as the interior system of the Corps is liable to be seriously deranged by the unexpected demands frequently made upon its services in the course of the day.

By Command of HIS ROYAL HIGHNESS
THE GENERAL COMMANDING IN CHIEF.

G. A. WETHERALL,
Adjutant General.

To General Officers commanding Districts or Divisions, and to Officers commanding Battalions of the Military Train.

CIRCULAR MEMORANDUM.

General No. 58. RECRUITING DEPARTMENT.

E—5. *Horse Guards, 23rd December*, 1857.

UNTIL further orders, the approval of Recruits by Inspecting Field Officers of Districts is to be considered final, Commanding Officers and Surgeons of Regiments continuing, as at present, to make any remarks upon the attestation of a Recruit before signing that document.

All Recruits objected to by a Commanding Officer will be brought before the General Officer at the first inspection after joining.

Inspecting Field Officers must well consider the responsibility devolving upon them in consequence of this arrangement, and His Royal Highness the General Commanding in Chief impresses upon them the necessity of their paying the greatest attention to the examination of Recruits, and to the strictest caution being observed in sending such Men only to Regiments as are eligible in point of age, height and strength as required by regulation. Recruits will receive the balance of their bounty, viz., 1*l.* 10*s.*, on joining their Corps as at present.

By Command of HIS ROYAL HIGHNESS
THE GENERAL COMMANDING IN CHIEF.

G. A. WETHERALL,
Adjutant General.

REVISED INSTRUCTIONS

For the Volunteering from the Embodied Militia to the Regular Army.

Horse Guards, S.W., 30th December, 1857.

1. THE quota of Volunteers to be furnished by Regiments of Embodied Militia is not less than 17 per cent. upon the effective Rank and File.

2. The Men are to be permitted to extend their services to the Artillery, Engineers, Cavalry, Military Train, Foot Guards, Infantry of the Line and Marines. Men who shall desert before joining their new Regiments, those who join the Royal Navy, and disembodied Men enlisting, are not to count towards the quota of Volunteers.

3. When a Regiment is prepared, or is called upon by the General Commanding in Chief, to give Volunteers to the Regular Army, the Officer commanding, under whose superintendence and control the measure *is to be exclusively carried out*, is to notify the same to the General Officer commanding the Division or District, who will detach to the Corps a Medical Officer of the Regular Army, not below the rank of Surgeon, for the purpose of examining the Volunteers, and certifying as to their fitness for active military service.

4. The names of the Medical Officers detached under paragraph 3, and the intended date of volunteering, are to be reported to the Adjutant General in sufficient time to admit of the same being communicated to the Artillery, Engineers, Foot Guards and Marines, and the volunteering is not to commence until receipt of an acknowledgment of such report. Nominal and descriptive returns of Volunteers for these Corps are to be furnished to their Head Quarters, and the men are not to quit the Militia until notifications are received of their approval.

5. Medical Officers are to pay the strictest attention to the surgical examination of the Volunteers before they leave the Head Quarters of the Militia, and are to be particularly careful not to pass any man who is not fit for immediate and active service.

6. The standard for the Cavalry is specified in the margin.* No man is to be re-

ceived for the Infantry of the Line under 5 feet 4 inches, or who is under 18 or above 30 years of age. The age, standard and qualifications of Volunteers for the Artillery, Engineers, Foot Guards and Marines are to be specially ascertained by reference to those Corps.

7. While the volunteering is open, Commanding Officers are to afford every facility to the men in selecting the Regiments which they may wish to join, or which may be notified as most in want of recruits. With the exception of men employed as Orderly Room Clerks, Drummers, Bandsmen or Armourers, all who have attended one training, or have been three months in the Militia, are to have the option of extending their services, and in case of a Commanding Officer refusing to discharge any private, not employed as above, who may wish to join the Regular Army, he is to transmit his reasons for such refusal, in writing, to the General Officer commanding the District for reference to Head Quarters.

8. Married men, and men undergoing imprisonment by sentence of Court Martial, are not allowed to volunteer.

9. Non-commissioned Officers are not to be permitted to volunteer without special permission from their Commanding Officer, and they will only be accepted as privates.

10. Commanding Officers of Militia will take care that the Volunteers are regularly discharged, that their accounts are closed, that every just claim is satisfied, and that the men are regularly enlisted as well as attested for the Corps to which they volunteer, in strict accordance with the forms prescribed by the Mutiny Act, for which purpose arrangements will be made for the attendance of an Officer of the recruiting service, whose duties will be strictly limited to passing the men into the service according to the established regulations—*after they come forward*—but he is in no respect to interfere with the *volunteering*. The necessary supply of attestations is to be obtained from the War Office.

11. The Volunteers are to be sent to their new Regiments in charge of steady Serjeants of Militia, or of the Regular Army, if they cannot be spared from the Militia. When circumstances render it advisable that the Volunteers for the Cavalry and Infantry of the Line should proceed to their respective destinations before routes can be obtained for their march, the Commanding Officer is to furnish the Serjeant, under whose charge they are sent, with the amount of railway fares (or, when necessary, give railway or passage warrants according to the War Office regulations), and recover the money under authority of covering routes, for which he will make application to the Quartermaster General in the usual manner. In the case of men extending their services to Regiments in the same Garrison, or in the immediate vicinity, they are to be sent to their new Corps as soon as they are attested.

12. Volunteers will be entitled to their usual Bounty of *2l.*, of which *2s. 6d.* is to be handed to them, in cash, on attestation, the balance being duly credited, and paid to them on joining their new Regiments.

13. In lieu of the entire new Kit granted to Soldiers on first enlistment, the Volunteers are, on joining their new Regiments, to be completed with necessaries at the public expense, and in order to prevent imposition, Commanding Officers of Militia are to be careful that accurate lists of the serviceable necessaries in possession are furnished with each Volunteer.

14. As a further inducement to volunteer, the Secretary of State for War has been pleased to approve of all Volunteers being allowed to reckon one half of their embodied Militia service, rendered while over the age of 18, as a part of Line service, to entitle them to pension, and any other advantages, such as good conduct pay, &c., belonging to the Regular Army, provided they shall have completed six months' Militia service.

15. The Volunteers are to take with them their great coats, necessaries, and such old clothing as can be furnished and may be requisite; but their new clothing, knapsacks and chakos are to be left at the Regiment; and when proceeding by steam vessels to or from ports in the United Kingdom, each is to be provided with a rug, as directed in paragraph 22, page 230, of the Queen's Regulations and Orders for the Army.

16. No fee or allowance beyond the usual travelling expenses, and detention money, will be granted to Medical or Recruiting Officers detached on this duty.

17. A sum of *10s.* is granted by the Secretary of State for War to the Regiments of Militia for each Volunteer actually joining the Regular Army, and it is to be distributed as suggested in the War Office Circular of the 22nd June, 1854.

18. In the event of any Volunteer being considered unfit for service on joining his new Regiment, a report is to be made by the Commanding Officer to the General Officer commanding the District, who will assemble a Medical Board for the man's

Digitized by Google

special examination, and transmit the proceedings to the Adjutant General, for the General Commanding in Chief's decision as to whether the man shall be retained in the Regular Army or revert to the Militia.

19. The volunteering is to be kept open, if necessary, for a period of three days, during which the General Commanding in Chief relies upon the utmost regularity and order being maintained. The men who desire to extend their services are to signify their wish to the Captains of Companies, and are to fall out at morning and evening parade.

20. As soon as the volunteering is over, the Medical and Recruiting Officers are to return to their respective stations, and a return according to the annexed Form No. 1, showing the number of men released from their Militia engagement, and the Corps for which they volunteer, is to be transmitted to the Adjutant General of the Forces through the General Officer commanding the District, for the General Commanding in Chief's information.

21. If the required number of Volunteers is not furnished at once, the volunteering is to be subsequently reopened until the quota is complete, and until which period weekly returns of the Volunteers who actually join, and are finally approved for the Regular Army, are to be transmitted by Embodied Regiments to the Adjutant General every Saturday according to the accompanying Form No. 2.

22. The money required by Commanding Officers for the payment of Bounties, for forwarding the Volunteers to their destination, and for their subsistence while on route, is to be drawn and accounted for according to instructions to be issued from the War Office.

23. These Revised Instructions are to be substituted for any others that may have been hitherto issued, all of which are to be considered to be cancelled.

By Command.

G. A. WETHERALL,
Adjutant General.

GENERAL ORDER, No. 695.

Horse Guards, 5th January, S.W., 1858.

HER MAJESTY having been pleased to approve of the accompanying* Regulations for the free admission into the Royal Military College of the orphan sons of Officers as Queen's Cadets, His Royal Highness the General Commanding in Chief has the satisfaction of promulgating the same to the Army.

The Queen's Cadets are to be the sons of Officers who have fallen in action, or who have died of wounds received in action, or who have died of disease contracted on service, and have left their families in reduced circumstances.

It will be seen that the number of Cadets, in all, is twenty, and those from the Army are limited to fifteen, the remaining five being reserved for the Royal Navy and Royal Marines.

It is His Royal Highness's earnest desire, in the consideration to be given to the numerous applicants, to select the most deserving.

With this especial object in view, His Royal Highness requests that, in the case of an Officer dying under the circumstances which render his son eligible for admission as a Queen's Cadet, Commanding Officers will, with the least possible delay, transmit to the Military Secretary a *written* statement, according to the annexed Form, showing the several particulars required.

It is also desirable that any circumstances within the Commanding Officer's knowledge, affording information with regard to the Officer's family relations, should be stated.

* See Monthly Army List for January, 1858, p. 221.

The data thus obtained will be the means of enabling His Royal Highness to make the best selection of Candidates, and thereby render this boon as beneficial to the Army as possible.

CIRCULAR, No. 193.

War Office, 23rd December, 1857.

The Secretary of State for War has decided, with the concurrence of His Royal Highness the General Commanding in Chief, that no Soldier, labourer or other person paid by this Department, shall be employed (as heretofore) by any Military or Civil Officer, except Regimental Officers serving with their Regiments, who, under the provisions of the Queen's Regulations and Orders for the Army, are allowed to have Soldier Servants to attend them.

2. To such Officers, not Regimental, as have been allowed the use of Soldier

Servants, a daily allowance of 1*s.* at home, and 1*s.* 6*d.* abroad (including rations), will be granted in lieu of each such servant, in the following proportions:—

To a Lieutenant General, the allowance for three Servants.
To a Major General, for two.
To every other Staff Officer, including the Recruiting Staff and each Staff Chaplain, for one Servant.
To every Civil Officer who is entitled under existing regulation or authority to the use of a Servant, or to Servants' allowance, for one Servant.

3. Servants' allowance will not be given to Officers receiving commuted allowance to cover all contingent expenses.

4. Regimental Officers of Cavalry, Artillery and Infantry will continue to be provided with Soldier Servants, and consequently will not be entitled to the pecuniary allowance. But as regards Officers of the Royal Engineers, who are not allowed to employ Sappers as Servants, they will continue to receive the pecuniary allowance for one or two Servants, according to rank under existing regulations, at the established rates of 1*s.* a day for each Servant on home service, and of 1*s.* 6*d.* a day for each Servant on foreign Service.

5. Officers drawing the allowance for one Servant only are to furnish certificates in support of their claims, according to Form No. 1, annexed hereto, and those drawing it for more than one, according to Form No. 2, annexed.

6. The higher rate of 1*s.* 6*d.* a day, applicable to foreign service, will be chargeable on the passage to and from the station in all cases wherein the Servants' allowance is chargeable.

7. No Officer will be entitled to rations for the Servants on account of whom he receives the pecuniary allowance; but at foreign stations rations may be drawn for additional male Servants actually kept, not exceeding, in the whole, the number specified in the Royal Warrant, after deducting the Servant or Servants for whom he receives the commuted allowance.

8. Servants' allowance will not be given to Officers ordered home from abroad on reduction, after the expiration of a month from the date of landing in the United Kingdom; and, if the Officer obtain leave of absence previously to being placed on half-pay or retired allowance, it is not to continue beyond two months, in the whole, from the date of disembarkation in the United Kingdom.

9. Officers on sick leave, on the recommendation of a Medical Board, will receive the allowance for the full period of their absence on such leave, or for such part of the period as they shall continue on full pay.

10. Officers on leave of absence on private affairs can only be permitted to receive the full allowance for two months of such leave.

11. The Servants' allowance, on re-appointment from the non-effective list, in the case of Officers of the Royal Engineers, and of the Medical, Chaplain, Commissariat, Military Store, Engineer and Barrack Branches, if ordered for foreign service, will commence from the date of embarkation.

12. Staff Officers are not to draw the allowance for Servants from an earlier date than that on which they assume their Staff duties, and, as regards such Officers, it will cease on the termination of their duties.

13. The provisions of the Black Servants' Warrant are not affected by this Circular.

14. The pecuniary allowance hereby extended to Officers on the Staff, in lieu of Soldier Servants, is not to apply to Officers of the Head-Quarter Staff in London.

15. The regulations contained in this Circular will take effect from 1st January next, or the first day of any subsequent month next ensuing after the receipt of the Circular.

16. The date from which the regulations come into operation, under the preceding clause, is to be reported to the Accountant General by the Officer commanding at the station.

CIRCULAR, No. 194.

General No. 757.

SIR, *War Office, 28th December*, 1857.

IT being considered advisable in the present emergency to raise men for the service of the Regular Army by all available means, her Majesty's Government have determined for this purpose to require the aid of the Pension Staff; and I am accordingly to inform you that Lord Panmure reckons with confidence on your cordial co-operation and assistance in carrying out these views.

Beating Orders will be sent to you, empowering your Staff and Quartermaster Serjeants, and such of the Pensioners in your District as you think worthy of being selected for this duty—not exceeding six in a first class, or four in a second class District, with one at each of the out-stations, where he can be employed with advantage—to raise Recruits for her Majesty's Service within the limits of your District. You will be pleased to instruct the parties employed on this duty not to enlist Militia men, except under the terms prescribed by the Circulars from this Department, and to adhere strictly to the provisions of the Mutiny Act as regards enlistment.

Duties.

I am to add, that while employed on this duty you will act under the immediate orders of the General Commanding in Chief, in the same manner as a Sub-division Officer on the Recruiting Service of the Army, subject, by order of the Right Honorable the Secretary of State for War, to the inspection and military control of the Inspecting Field Officers of the Recruiting Districts within which your Head Quarters are situated.

Reward.

You will be allowed the reward of *5s.* allotted under like circumstances to Officers of the Army.

Area of Recruitment.

The area of recruitment will be confined to the limits of the Pension District superintended by you.

Militia Volunteers.

The Secretary of State for War will not demand the payment of the usual 18*s.* 6*d.* for a Substitute from those Militia Volunteers, who, upon enlistment, shall declare themselves to belong to the Militia, provided that these men shall have attended *one training* with their Regiment, or shall have been six months upon the roll of their respective Regiments.

Mode of Proceeding.

The Regiments for which the Pensioners are to recruit will be intimated to you by the Inspecting Field Officer of the District, who will also furnish you with full instructions as to the terms of enlistment (age, standard, bounty and bringing money), and as to the transfer of Recruits to the District Head Quarters, or to their respective Regiments or Depôts, as the case may be.

Digitized by Google

Conducting of Recruits.

The Recruits will be conducted to the Head Quarters of the Recruiting District by Pensioners, who will be furnished with the usual routes, and will receive the usual allowance for such duty.

Advances and Accountabilities.

The District Paymasters will be instructed to put themselves in communication with the Staff Officers of Pensioners within their Districts, to make to them the usual advances, to put them in possession of the usual form of accountability, and to make monthly settlements with them.

Responsibilities of same.

As a preliminary to carrying this project into execution you will notify to this Office your consent, and that of the selected Pensioners, to being employed upon this duty, which consent, it is to be distinctly understood, will impose upon them the responsibilities to which all persons employed on the Recruiting Service are subjected by the 2nd clause of the Mutiny Act.

His Lordship deems it right to direct that you remind the Pensioners that, while the remuneration for the enlistment of Recruits, who shall be intermediately approved, is most ample, still there is a certain risk in recruiting operations, as the necessary principle in such matters is, that no remuneration or individual expenses are sanctioned in the case of Recruits who do not pass medical examination.

It is contemplated to employ the Surgeons of the disembodied Militia for the necessary medical examination of the Recruits, and that their remuneration be that sanctioned for such duty when performed by private Practitioners; but where there are no Militia Surgeons, a private Medical Practitioner may be employed on the usual terms.

I have the honor to be, Sir,
Your most obedient Servant,
B. HAWES.

12th May, 1830 (D—1262). They are also to take care that in rendering their Store Accounts, the several transactions entered therein are supported by proper vouchers, as without them the entries will be disallowed.

2nd. When an Officer is relieved from the command of a Station or District, he is to cause a Remain of Stores to be taken in conjunction with the Officer assuming the command and the Military Storekeeper on the spot, if there be one; reporting the result, through the Director General of Artillery, to the Secretary of State for War, in order that the value of any articles deficient, which cannot be satisfactorily accounted for, may be charged against the Officer transferring the Stores.

3rd. Any Officer assuming the command of a Station or District, who neglects to ascertain the actual state of the Stores given over to him at the time of the transfer, will be understood to have admitted the accuracy of his predecessor's accounts, and be held personally responsible for any deficiencies which may afterwards be discovered.

4th. Officers commanding Troops and Field Batteries will be held responsible for every article of Field Equipment in their charge; and whenever a change of Captains or Officers commanding takes place, a certificate from the relieving Officer, according to the annexed form, of his having received over the Stores must accompany the annual Store Return to be made up on the 31st March, and rendered to this Office, through the Adjutant General of Artillery, on or before the 30th June.

5th. Any deficiency in the equipment that may be discovered at the time of the transfer is to be immediately reported to the Adjutant General for the information of the Secretary of State for War, by whose order the articles wanting to complete will be replaced from the public Store at the expense of the Officer chargeable therewith.

The Officer commanding ——. B. HAWES.

I CERTIFY that on taking over the charge of —— Troop Royal Horse Artillery [*or* "—— Field Battery Royal Artillery"] from Captain —— on the ——, 18—, I carefully examined the Guns, Stores and every article of equipment belonging thereto, and that the several articles so taken over by me correspond in every respect with the detailed account contained in the Store Returns for the current year, *with the following exceptions.*

33. *War Office, 30th December*, 1857.

THE attention of the Secretary of State for War having been recently called to robberies and damages which have been committed on unoccupied portions of Barracks and Stables not in occupation of the Troops, Lord Panmure desires that Barrack Masters will call the attention of Commanding Officers to any unoccupied Barracks and Stables within the Barrack walls, as soon as the Troops have marched in.

The Barrack Master will request that the Quartermaster, or another Officer of the Corps, may inspect the buildings with him, with a view of verifying their condition, and of ascertaining that all furniture or fittings belonging to them are forthcoming, and are in an undamaged state. He will request the Commanding Officer to furnish such protection in the way of sentries as the latter may think necessary.

If the Regiment or Detachment is unable, from its strength, to furnish sentries the Barrack Master will represent the circumstance to the Secretary of State, and he will be authorized to hire watchmen for the protection of the public property.

When a Barrack is occupied by two or more Regiments, the Barrack Master will wait upon the Officer commanding the Garrison, and call his attention to the unoccupied Barracks or Stables; and he will request the Officer commanding to make such arrangements for their protection as he may think necessary.

In all cases where the charge of buildings has thus been handed over to the Troops, any damages or robberies that may occur therein, if shown to have been effected from without, will invariably be charged against them.

War Office, 20th January, 1858.

THE regulations affecting the pay and allowances of Artificers and Foremen of the War Department sent out from England for service in the Colonies having been under the consideration of the Secretary of State for War,

His Lordship directs that the following Instructions be circulated for the information and guidance of all concerned.

When Artificers and Foremen at a Foreign Station, who have been sent from England, are reported by the Medical Officer as unable to attend their call on account of sickness, they may be allowed to draw full pay whilst necessarily absent on account of sickness for a period not exceeding three months.

If at the expiration of that time they are still unable to resume duty they may be allowed reduced pay for a further period, not exceeding three months, at the rate of

Half-pay for those who have served under 20 years.

Two-thirds pay for those who have served above twenty years.

In the event of a Medical Board recommending that such Artificers and Foremen should return to England for the recovery of their health, the above-named rates of pay may be continued to them until the date of their disembarkation, after which they will be allowed half-pay or two-thirds pay, as the case may be, for a period not exceeding three months; and when practicable they will be allowed free medical attendance by Military Medical Officers.

If not able to resume duty at the expiration of three months from date of disembarkation in England, measures will be taken for their superannuation in the usual manner.

Applications are not to be made for Medical Boards upon Artificers and Foremen with the view to sending them to England, unless the Medical Officer can certify that he sees no probability of their recovery on the spot.

It is to be clearly understood that these instructions do not apply to Artificers and Foremen hired in the Colony.

1. All entries in the Soldier's "Pocket Ledgers" relating to "Service Abroad," "Marriages," "Children," "Becoming Non-effective," and "Next of Kin," are to be signed by the Officer commanding the Troop or Company to which the man belongs; the entries regarding "Promotions," "Wounds," and "Distinguished Conduct," are to be in the handwriting of that Officer, as well as signed by him.

2. Awards of Medals and Gratuities, or Annuities, are not to be entered in the Soldier's "Pocket Ledger" under the head "Distinguished himself," excepting those specially authorized for "Distinguished Conduct" during the War in the Crimea, by the Royal Warrant of the 4th December, 1854.

4. *Baggage.*]—Officers when ordered on permanent duty under any of the circumstances entitling them to be reimbursed their travelling expenses, are also allowed the extra cost of conveying their baggage, if necessarily accompanying them, the total weight not exceeding that sanctioned by the Queen's Regulations and Orders for the Army, according to the rank of the Officer, or, in the case of an Officer proceeding on or returning from the recruiting service, not exceeding 3 cwt.; less in both cases the quantity conveyed free for a 1st class passenger.

5. *Servants.*]—The fare of a soldier servant or servants, when specially permitted to accompany the Officer, will also be allowed.

6. *Personal Allowance—Daily Rates—Period limited to Seven Days.*]—A personal allowance at the following rates is granted for every complete day and night the Officer may be necessarily absent on duty from his Quarters or usual place of residence, including the days he may be detained at a port of embarkation waiting for a passage, and when, in the case of Regimental Officers, the Regiment or Depôt to which he belongs, or may be attached, is not stationed within ten miles of the port:—

To a General Officer	20*s.* a day.
To all other Staff or Regimental Officers, whether of Cavalry, Artillery, Engineers or Infantry	10*s.* ,,

The period of the allowance is not to exceed seven days, unless extended by special authority, on a representation in each case showing the cause of any unavoidable

delay in embarking, or necessity for prolonging the duty on which the Officer has been engaged.

7. *Half or Quarter Daily Rates.*]—For the first and last days of the journey the allowance is one-half; and when the Officer goes from and returns to his quarters the same day, one-fourth of the above daily rates, provided the distance in the latter case be not less than five miles from his Quarters.

8. *Not admissible when a Mess is available.*]—Neither the daily, nor any portion of the daily rates is admissible for the day or days the Officer is able to partake of his own regimental or detachment mess, or of any other mess of which he is a member.

9. *Officers drawing Forage.*]—Officers drawing forage at the public expense are entitled to the travelling as well as personal allowance under the preceding regulations, if the distance travelled be more than ten miles from their station, and they return thereto the same day, or in case of shorter distances if they are necessarily prevented by duty from returning the same day, or the duty be certified to be of so urgent a description as not to admit of the journey being performed by their own horses.

ABROAD.

10. *Travelling.*]—Officers who do not draw forage will be allowed the actual expense of their conveyance by such means as the country affords, and as may be consistent with a proper regard to economy; it being understood, however, that any contract or agreement entered into by the Commissariat Department must be made available when it can be done with convenience to the service.

11. *Officers drawing Forage.*]—Officers drawing forage, or forage allowance, will only be granted the expense of conveyance as provided in the preceding clause, when they are under the necessity of travelling with greater expedition than can be performed by their own horses consistently with the purpose for which they are required to be kept, or when the nature of the country over which the journey is to be performed will not allow of their being employed.

12. *Commuted Allowance in lieu of Forage.*]—Officers entitled to draw forage when travelling with their own horses where there are no commissariat magazines, will be allowed the rate of commutation fixed in the command, and they will also be allowed to charge stable hire at such nightly rate as may be fixed in each command, when they cannot be accommodated with public stables.

13. *Rations of Provisions while Travelling.*]—Officers, with the exception of those stationed at Ceylon, the Mauritius and Hong Kong, while travelling, may draw their rations of provisions, fuel and light wherever there are commissariat magazines admitting of their doing so; but where this is not the case, no compensation will be given for undrawn rations, nor will any stoppage be exacted for them.

This regulation applies also to the rations and ration stoppages of Officers' servants who may accompany their masters.

It is to be understood that no rations of provisions, fuel, light or forage are to be drawn at the established quarters of the Officers for themselves or such servants or horses as they may take with them during their absence therefrom.

14. *Lodging Money at fixed Quarters.*]—With reference to Officers in receipt of lodging money, when detached for short periods on public duty, it will be at the discretion of the General Officer commanding at the station, on consideration of the time of the Officer's absence and other circumstances, to grant to them a continuance of such lodging money for the period during which they may have been detached.

15. *Baggage.*]—Provision for the conveyance of baggage will be made by the commissariat.

16. *Personal Allowance—Daily Rates—Commanding Officers of Artillery and Engineers.*]—In addition to the foregoing provision for travelling abroad, personal allowance at the following rates will be granted at all stations, excepting at Ceylon, the Mauritius and Hong Kong, for every complete day and night the Officer, or other person, may be absent from his station:—

To a General Officer, 20*s.* a day.

To all other Staff or Regimental Officers, whether of Cavalry, Artillery, Engineers or Infantry, 10*s.* a day.

To persons classed as Non-commissioned Officers, 5*s.* a day.

Engineer and Artillery Officers in receipt of command pay are not entitled to the above rates, special provision under this head being made in that allowance.

17. *Half or Quarter Daily Rates.*]—For the first and last days of the journey the allowance will be one-half, and, when the Officer is going from and returning to Quarters the same day, one fourth of the daily rate, provided the distance in the latter case be not less than five miles from his Quarters.

18. *Not admissible on Board Ship nor when a Mess is available—When provided with one Meal on Board Ship.*]—Neither the daily, nor any portion of the daily rate, will be issued for such days the Officers, or other person, may sleep or be wholly subsisted on board steam-boats or other vessels, nor will it be allowed for the day or days the Officer is able to partake of his own regimental or detachment mess, or avail himself of any other regimental or detachment mess of which he may be a member.

In cases where Officers may be on board ship under a contract which provides for one meal only a day, the half-daily rate will be allowed.

19. *When landed at any intermediate Place while on Passage.*]—Officers when landed at any intermediate place while on passage to or from a foreign station will be entitled to the personal allowance for every night they may be obliged to remain on shore.

20. *Officers having relative Army Rank.*]—The foregoing regulations, whether for service at home or abroad, are equally applicable to Officers of—

The Medical Staff,
The Purveyors' Department,
The Chaplains' Department,
The Commissariat Department,
The Military Store Department,
The Field Train Department,
Civil Officers of the Engineer Department and Barrack Department,

according to the relative Army Rank of the Officer.

Detention Allowance to Officers with Troops.

Abroad.

21. Officers, when by necessity deprived of the benefit of their own regimental or detachment mess in consequence of its suspension previous to embarkation, or on the arrival of the Regiment or Detachment at a foreign station, provided they shall not during those intervals have become members of any other mess, will be entitled to the detention allowance of *5s.* a day.

Marching Allowance to Officers.

At Home.

22. *Marching Allowance.*]—To Officers on a march with Troops in the United Kingdom, under a route issued by competent authority, provided they shall so march not less than 10 miles a day, and shall not be able to partake of the mess of their Regiment or Detachment, on any such day a daily allowance of *5s.*

23. *Journeys by Railway.*]—On long journeys by railway, for each day occupied by such journey, provided the Officers shall not have the benefit of their regimental or detachment mess, *5s.*

24. *Detention Allowance.*]—When detained at stations, or ports of embarkation preparatory to proceeding on foreign service, after the regimental or detachment mess has been necessarily broken up, or while quartered at ports of disembarkation or other places after arrival in this country from a foreign station before a mess can be established, or when detached on duty where the Officer cannot have the usual accommodation of a mess, *5s.* a day.

The period of allowance not to exceed seven days, unless specially extended on a representation in each case of the circumstances which render such an extension expedient.

Given at Our Court at Saint James this twenty-third day of December, 1857, in the twenty-first year of Our reign.

EXPLANATORY DIRECTIONS.

Travelling and Personal Allowances.

At Home.

1. As the actual cost only for the conveyance of an Officer travelling on the public service is admissible, he is to keep an accurate account thereof; and as all public conveyances, whenever available, are to be resorted to, their description is to be given in the Travelling Claim; the places from and to which they were employed by the Officer, and the dates of the Officer's departure and arrival, are also to be shown.

2. The charges for each conveyance, whether by railway, steam-boat, coach, omnibus, cab, car, fly, &c. to be made separately, and in sequence as they occur, the sums charged being subject to alteration, should they exceed the established fares.

3. In no case is posting, or any more expensive mode of conveyance than those referred to above, to be had recourse to, if it can possibly or properly be avoided; when it cannot be avoided, the reason is to be assigned on the claim.

4. Charges for the conveyance of baggage by railway or water are to be supported by receipts, in which is to be shown its actual weight or measurement; otherwise that part of the claim will be at once disallowed.

5. The Railway distances travelled to be expressed on the claims; the charge for Officers by such conveyance being 2*d.* a mile, and for soldier servants 1*d.* per mile, unless the ordinary fares to the public by 1st and 2nd class carriages are below those rates, in which case the lower charges only are admissible.

6. An Officer, whether Staff or Regimental, proceeding on foreign service, being only entitled to conveyance from the place at which he may be quartered and doing duty, to the port from which his passage has been engaged, it is to be understood that if he embark for his own personal convenience at a more distant port, the excess of charge for conveyance thereto must be defrayed by the Officer himself.

The same rule is to be observed in returning from foreign service should the officer disembark at a port in the United Kingdom more distant from the station of the regiment or depôt to which he is to proceed to do duty, or from London, if directed to report himself personally at the War Office or Horse Guards, than that to which his passage may have been ordered.

7. Every travelling claim is to be signed by the claimant, and to be certified by another officer whenever required to be so vouched; and, in all cases, whatever may be the rank or appointment of the officer, the order of the Secretary of State for War, the General Commanding in chief, the Adjutant General, or of any other Officer having authority to direct the proceeding, is to be produced, and the date quoted in the claim. Whenever a soldier servant is permitted to accompany the Officer, the order granting such permission is to be annexed in support of the charge.

8. The travelling claims of Officers commanding Artillery Districts, for their inspectional journeys, are to be certified by the Director General of Artillery, and those of the Officers commanding Engineer Districts, by the Inspector General of Fortifications.

9. All claims for travelling and personal allowance at home are to be transmitted to the War Office on completion of the journey, or within one month after the termination of each quarter, for the decision and authority of the Secretary of State, without which no charge for such claims is to be made in the public accounts. Those for regimental officers are to be prepared and rendered by the Paymaster of the regiment to which the claimant belongs.

10. In the case of Officers attending more than one Court Martial, a separate claim is to be prepared for each Court Martial.

11. The personal allowance to Officers officiating as Judge Advocates at General Courts Martial is not admissible for the day or days they are entitled to the 2*l.* 2*s.* under the regulation which governs the grant of the latter allowance.

Abroad.

12. Payments when made abroad for the personal allowance to Regimental Officers are to be estimated and charged by the Paymaster of the Regiment to which the claimant belongs.

13. Claims of Staff Officers will be paid by the Commissariat under the Warrant of the Officer commanding, by whom the cases will be reported to the War Office.

14. The allowance for attending a Court Martial for the trial of two or more prisoners belonging to any Regiments or other branch of the Military Service, are to

Digitized by Google

be estimated and charged by the Paymaster of some one of the Regiments to which any of the prisoners belong.

15. When the Officer Commanding at any station himself travels on public service, he must declare upon the voucher for the claim the nature of the duty which renders the journey necessary, and the time absolutely required for his absence from his station.

16. The cost of conveyance abroad being a Commissariat charge, is not to be blended in the same account with the personal allowance and allowance in lieu of forage, except in cases where an Officer is required to travel through the United States, or through any other country abroad where no Commissairat control exists, when the charge for travelling and personal allowance may be included in the same claim.

GENERAL.

17. The attendance of the Adjutant upon a Court Martial is not requisite for the sole purpose of producing the Court Martial Book: a verified extract from the said book may be produced by any Officer or Non-Commissioned Officer who is otherwise summoned, provided he can testify that the production of the book would be attended with public inconvenience, and that the verified extract is authentic.

18. Claims for the expense of witnesses, whether civilian or military, in attending Courts Martial must be clearly stated, and forwarded with the recommendation of the President of the Court, so far as he considers the claim to be just and reasonable, for the decision of the Secretary of State.

The actual and necessary period of the allowance must be distinctly specified in every case.

19. Officers found guilty by Courts Martial must pay the expense of witnesses summoned in their defence.

20. In case of Officers acquitted of the charges preferred against them, the expense of such witnesses will be paid by the public.

21. In cases of Courts Martial founded on personal disputes between Officers, the expense of witnesses will not be borne by the public.

22. All claims for travelling and personal allowance, whether for Staff or Regimental Officers, are to be prepared according to the accompanying Forms, supported by the necessary certificates and vouchers.

Supplies of the Forms may be obtained from the War Office when required.

Marching Allowance to Officers at Home.

23. The allowance of 5*s*. a day to Officers on a march is confined strictly to Officers who march with Troops by a route.

24. The allowance may be charged for every day the Officers are actually on the March, including halting days, but not for the day of arrival in Barracks or Quarters where their own regimental or detachment mess is established, or might have been established; or where they become members of any other regimental or detachment mess; nor for any period during which they may be on board ship.

25. The allowance in Clause 23, page 217, may be issued to Officers on occasions of long journeys by railway when marching money is granted to the men; but it must be understood that it will only be admissible for the day or days actually occupied by the journey.

26. In either of the cases specified in Clause 24, page 217, the particular circumstances which have occasioned the breaking up, or prevented the formation of the mess, or have otherwise caused the Officers non-participation of their own regimental or detachment mess, whereby a charge for detention allowance has been incurred, are to be clearly stated and certified on the voucher in which the charge is made.

27. The marching allowance is not admissible in any case in which a special allowance is granted for the particular duty on which an Officer may be employed.

Detention Allowance while serving with Troops.

ABROAD.

28. The charge on account of detention allowance at a foreign station is to be supported by the order, or a certified copy of the order, of the General or other Officer in command at the station, and by the order for the disembarkation at, or the embarkation or departure from, a foreign station, and by a certificate of the Officer commanding the Regiment or Detachment, that the delay in forming the mess, or the necessity for breaking up the mess, at the date stated, was unavoidable, and that, during the suspension of their own mess, the Officers, in either case, had not an opportunity of becoming members of any other regimental or detachment mess.

THE VICTORIA CROSS.

THE following Officers and Men have been awarded the above Decoration in addition to those whose Names were published in "*The Monthly Army Lists*" for December, 1857, and January, 1858.

War Office, January 15th, 1858.

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officers and men of her Majesty's Army, who have been recommended to her Majesty for that Decoration in accordance with the rules laid down in her Majesty's Warrant of 29th January, 1856, on account of acts of bravery performed by them in India, as recorded against their several names:—

78 F.—Lieutenant J. P. H. CROWE, now Captain 10 F.

"For being the first to enter the Redout at Bourzekee Chowkee, the entrenched village in front of the Busherut-gurge, on the 12th August."—(*Telegram from the late Major General Havelock to the Commander in Chief in India. Dated Cawnpore, 18th August*, 1857.)

10 F.—Lieutenant HENRY MARSHMAN HAVELOCK, now Captain 18 F.

"In the combat at Cawnpore Lieutenant Havelock was my Aide-de-Camp. The 64 Regiment had been much under artillery fire, from which it had severely suffered. The whole of the infantry were lying down in line, when perceiving that the enemy had brought out the last reserved gun, a 24-pounder, and were rallying round it, I called up the regiment to rise and advance. Without any other word from me, Lieutenant Havelock placed himself on his horse in front of the centre of the 64th, opposite the muzzle of the gun; Major Sterling commanding the regiment was in front dismounted; but the Lieutenant continued to move steadily on in front of the regiment at a foot pace on his horse. The gun discharged shot until the troops were within a short distance, when they fired grape. In went the corps, led by the Lieutenant, who still steered steadily on

the gun's muzzle until it was mastered by a rush of the 64th."—(*Extract of a Telegram from the late Major General Havelock to the Commander in Chief in India. Dated Cawnpore, 18th August*, 1857.)

9 Lt. Drs.—Privates THOMAS HANCOCK and JOHN PURCELL.

"The guns, I am happy to say, were saved; but a waggon of Major Scott's battery was blown up. I must not fail to mention the excellent conduct of a Sowar of the 4th Irregular Cavalry and 2 men of the 9th Lancers, Privates Thomas Hancock and John Purcell, who when my horse was shot down remained by me throughout. One of these men and the Sowar offered me their horses, and I was dragged out by the Sowar's horse. Private Hancock was severely wounded and Private Purcell's horse was killed under him. The Sowar's name is Roopur Khan."—(*Extract of a Letter from Brigadier J. H. Grant, C.B., Commanding Cavalry Brigade of the Field Force, to the Deputy Assistant Adjutant General of Division. Dated, Camp, Delhi, 22nd June*, 1857.)

MEMORANDUM.

ARTIFICIAL ARMS AND LEGS.

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

CIRCULAR, No. 206.

[*The second paragraph of this Circular not applicable to Embodied Corps.*]

SIR, *War Office, 28th January*, 1858.

IT being deemed inexpedient to enrol, as Volunteers in the Militia, Pensioners from the regular Army, except for the purpose of filling some particular situation during embodiment, for which the ordinary Volunteers may not be sufficiently qualified, I am directed by Lord Panmure to acquaint you, that in future no Pensioner should be enrolled in the Regiment under your command without the previous sanction of the Secretary of State for War, and that the application for such sanction should be accompanied by a written communication from the Staff Officer of Pensioners of his District, showing that the Pensioner is not required in the Enrolled Pensioner Force, and that he is apparently qualified to perform the duties of the appointment for which his enrolment in the Militia is required.

In the case also of appointments of Pensioners to the permanent Staffs of the Militia, a similar communication should be obtained from the Staff Officer of Pensioners, together with a statement of his character, with a view to its transmission to the Lord Lieutenant of the county, to be by him forwarded to this Office, with the application for sanction to the appointment.

Lord Panmure also desires me to request that you will transmit to this Office a list of the names of any Pensioners who may be already enrolled as Volunteers in your Regiment, stating against the names of each the Regiment from which he was pensioned, the date of his enrolment in the Militia, in what capacity he is at present employed, whether his enrolment has been sanctioned by this Office, and whether the consent of his Staff Officer of Pensioners was obtained.

I have the honor to be, Sir,
Your obedient Servant,

The Officer commanding —— Militia. B. HAWES.

CIRCULAR, No. 207.

For the Information of Staff Officers of Pensioners relative to Recruiting Accounts.

27
Pensioners,
20.

War Office, 8th February, 1858.

Pay.]—The pay of a Recruit is 1*s.* a day.

Allowance in lieu of Bread and Meat.]—During the present high price of bread and meat he is also allowed 1½*d.* a day, if in England, and 1*d.* in North Britain and Ireland, which is charged in the column in the Pay List allotted to lodgings, which is to be *altered* accordingly.

Innkeepers.]—When a Recruit is billeted on the innkeeper, the latter is allowed 1½*d.* a day for the same, which is chargeable in the Pay List in the column allotted for the Stationary Quarters.

Digitized by Google

Hot Meal.]—No hot meal is chargeable in the Staff Officer's Pay List for any railway journey performed by a Recruit of less distance than 150 miles; but if the Recruit, in proceeding to the Head Quarters of his Officer, has to march a distance of ten miles or upwards, and is billetted on the innkeeper, the hot meal 10*d.* is chargeable in Great Britain, and 4*d.* in Ireland.

Surgical Examination.]—When a Military Medical Officer on full pay is within a reasonable distance of the Recruit's place of enlistment, he is to be taken before him for surgical examination; if there is no such Officer near, then he is to be examined by a Civil Surgeon, preference being given to the Surgeon of the disembodied Militia, if available for the duty; if the Civil Surgeon finds the Recruit fit for the Service, and afterwards he is finally approved by the Surgeon at Head Quarters, the Civil Surgeon is to receive the fee of 4*s.*; but if he is rejected on medical grounds, no fee whatever is allowed; the fee of 2*s.* 6*d.*, however, is payable to the Civil Surgeon if the Recruit be rejected at Head Quarters for other than medical disabilities.

If the Civil Surgeon rejects a Recruit on first examination, he is allowed 2*s.* 6*d.* for such examination. He is also allowed 2*s.* 6*d.* for the examination of Recruits who pay smart, or desert before final inspection.

Levy Money.]—All payments on this account, including fee to magistrates' clerk, medical examination and rewards to Officer and party, are to be charged in the Pay Lists in the column appropriated to levy money.

Smarts.]—The Staff Officer will be debited by the District Paymaster with 20*s.* for each smart he receives, for the credit of the public, and the former will charge in his Pay List, in the column for levy money, the reward of 5*s.* allowed the enlisting party, and also the fee of 1*s.* to the magistrates' clerk for reporting the smart to the War Office and the Inspecting Field Officer, and also 2*s.* 6*d.* allowed the Civil Surgeon, if the Recruit had been medically inspected prior to paying smart.

The Staff Officer is required to send a Monthly Smart Return to the Inspecting Field Officer, whether he has received any smart or not.

Out Stations.]—When Recruits are enlisted at Out Stations, and are brought to the Staff Officer's Head Quarters for his inspection, the conductor should bring a receipt for the railway fare he may pay, which will enable the Staff Officer to make up a General "Return of Marches and Railway Journeys," to be sent with his Pay Lists, but the receipts he will keep for his own guidance, as they will not be required to be sent with his Pay Lists.

Settlement.]—When the Staff Officer sends Recruits to the *District Head Quarters*, he will pay and charge them in his Pay Lists, including their railway fares, to the *date of their arrival* there; but if they are sent direct to Head Quarters of their Depôt or Regiment, then he will charge them in his Pay Lists *to the day previous* to their march, and issue a sufficient advance to take them to their destination, reporting the same to the District Paymaster, upon War Office Form No. 590, who will credit the Staff Officer's account with the amount.

Routes.]—When Recruits are sent to the District Head Quarters, the escort should be furnished with a route for himself and the Recruits, which will also be available for his return to his Station; but if sent to the Head Quarters of their Corps, he will require two routes, one for the Recruits and one for himself, going and returning. Escorts from Out Stations to their Staff Officer's Head Quarters will proceed under the authority of their beating orders.

Conductor.]—The Out Pensioner who conducts a Recruit or Recruits from an Out Station to the Staff Officer's Head Quarters will be allowed (exclusive of his railway fare) 1*s.* 6*d.* for each day he is necessarily engaged in this duty. If the Out Pensioner has to march a distance of not less than ten miles, he will also be entitled to the marching allowance of 1*s.* 1*d.* in Great Britain and 4*d.* in Ireland for such day's march, he being billetted upon the innkeeper in the usual manner. He will also have the same pay and allowances returning, but no marching money for the day he reaches his own home. The escort who conducts Recruits from the Staff Officer's Head Quarters to the Head Quarters of the Recruiting District will also be allowed 1*s.* 6*d.* a day during the period he is so employed, with the usual marching allowance, when railway conveyance is not available, the charge being supported in the Staff Officer's Pay List by the route under which the escort proceeded.

The Staff Officer, in making application to the District Paymaster for funds, will be pleased to state what amount he considers necessary to start with, but upon repeating his application for an additional supply, he will be pleased to state the number of Recruits he has passed since the last issue.

TRIENNIAL CONTRACTS—ROYAL ENGINEER DEPARTMENT.

General No. 1.
46.

War Office, 11th February, 1858.

THE Secretary of State for War has had under his consideration the method adopted for obtaining the Triennial Contracts for Works and Repairs to Barracks and other Military Buildings at home, and has decided that, as a general rule, there shall be but one Contractor for each Royal Engineer Station in a district, for all descriptions of builder's work usually required to be executed under Triennial Contracts.

Whenever exceptional cases arise, rendering a different course necessary, the circumstances are to be represented to the Secretary of State for War, through the Inspector General of Fortifications.

Two parts of the same Station divided by well-marked boundaries, such as Gosport and Portsmouth, Devonport and Plymouth, may be considered separate Stations if thought desirable.

Candidates for the Contract will be allowed to tender at a different per centage above or below the schedule prices for different trades.

In apprising the Inspector General of Fortifications of the day fixed for the receipt of tenders, the Commanding Royal Engineer will forward an abstract of the expenditure under the Triennial Contracts of the Station during the three years ending the 31st March preceding the date of the report, showing the amount and per centage of the whole expenditure chargeable to each trade, so as to enable the Director of Contracts to judge of the relative advantage of the tenders.

This information may be communicated to any tradesman upon his application for it, on the understanding that the Department is not bound to maintain the same proportion between the different trades in future.

Commanding Royal Engineers will use their own judgment in respect of the existing Contracts.

Should they consider it advantageous to the public service, proposals for terminating the existing Contracts, after the legal notice, will be entertained by the Secretary of State for War, or the present Contracts may be allowed to expire.

THE Secretary of State for War considering that every opportunity should be taken to secure the necessary sites for Defensive Works, Commanding Royal Engineers at Home Stations are desired to give early notice to the Inspector General of Fortifications of any proposed application to Parliament for powers to construct, extend or alter any Docks, Piers or Harbour Works within their respective districts, or of applications to obtain new powers under any Act for these or other like purposes, so that measures may be taken to reserve the sites necessary for Batteries.

BARRACK MASTERS, HOME STATIONS.

War Office, 13th February, 1858.

THE attention of the Secretary of State for War having been called to certain claims of Barrack Masters for Travelling, in the September quarter, in which charges are included for making Monthly Inspections at Out-Stations, although the Barracks were unoccupied during the quarter:

Barrack Masters are informed that when Out-Stations are unoccupied by Troops, they are only to be visited once a quarter.

The Towers and Forts are to be visited annually as at present.

If at any interval between the regular monthly, quarterly or annual inspections, the Barrack Master's presence should be required at the marching in or out of Troops, or for any other special purpose, arrangements are to be made, when practicable, for the performance of the duties of the nearest periodical inspection, for the payment of bills, &c., and thereby save the expense of unnecessary visits.

In every instance when this is impracticable, Barrack Masters will furnish a full explanation thereof to the Accountant-General's Office, with his claim.

The Secretary of State for War has also directed that no charges shall be admitted for distances travelled not exceeding one mile.

Personal allowance for a longer detention at an Out-Station than that which appears necessary for the proper performance of the duty required, will be disallowed, in the absence of an explanation on the claim in justification of such extended detention.

Barrack Masters are also directed to forward to the Accountant-General, from the 1st March next, Monthly Returns of the construction and occupation of Barracks; and they are informed that the *Duplicate Returns*, directed by the Circular of the 27th December, 1854 (O—106), to be sent on the 1st of each quarter, may be discontinued.

VICTORIA, R.

WHEREAS we have taken into our royal consideration the position of Serjeants and other Non-commissioned Officers above the rank of Corporal in respect of Pay, and whereas it has been represented unto us that the distinction and rewards for Good Conduct, granted by our Royal Warrants of the 1st July, 1848, do not extend to these ranks, and cannot be extended to them with propriety and convenience, Our will and pleasure is, that every Non-Commissioned Officer above the rank of Corporal, serving in our Regular Army, shall receive an addition of Two-pence to the present daily pay of his rank, and shall have no claim to Good Conduct Pay assigned to the ranks below that of Serjeant.

It is our further will and pleasure that the addition to be made to the present pay of the Non-commissioned Officers above the rank of Corporal serving in our Ceylon Rifle Regiment and Royal Malta Fencibles Regiment shall be One Penny a day, except the European Non-commissioned Officers of the former Corps, who shall receive an addition of Two-pence a day, and that this our Royal Warrant shall not apply to the Medical Staff Corps.

It is our further will and pleasure that these additions to the pay of our Army shall take effect from and after the 1st instant, from which date the provisions of the War Office Circular, dated 16th January, 1857, shall cease and determine.

INCONVENIENCE having been experienced in closing Engineer Accounts relating to Incidental Expenditure for the March quarter of each year at a time to be billed during the financial year, the Secretary of State for War has decided that, in future, all expenditure on incidental services executed during March quarter shall be charged to the estimates for the ensuing year.

The same is notified for the information and guidance of Commanding Royal Engineers, who will therefore consider that the last paragraph of the Order of the 7th March, 1857, No. 63, ceases to apply to Incidental Expenditure.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Service before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Subject of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by reason of rank in the Foreign Service, or in the Service of his own country; or any other distinguishing mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clauses shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 10, 1855.
